Welcome back

I hope you and your children have had a restful break. This half term is one that will fly by and Christmas will be upon us before we know it!

Thank you all so much for your generous donations of food to help those less fortunate than us in the local community. Mr Upton and I delivered a huge amount of food that the staff at the food bank were very grateful to receive. Over the last two weeks they have helped feed more than 100 families from the local area.

Safeguarding

I have had a small number of parents say that their children have been uploading videos of themselves on YouTube at home. Whilst the content may seem relatively harmless, this can make the children very easy to identify to anybody on the World Wide Web. We will continue to reiterate to children the message about staying safe on the web, but please keep a close eye on what your children are accessing at home. Thank you.

Glaramara

Our Year 6 pupils had an amazing time on their residential trip in the Lake District. They all showed an incredible amount of team work and bravery in the activities, whether it was climbing to the top of a mountain or jumping into an icy-cold river!

Pictures from the week can be found on our website.

Writing Oscars

Well done to our winners....

School Trips/Events

As you are aware, school trips and events have a hugely positive impact on every child's learning. As a school we do our best to keep the cost as low as possible so that families can pay the required contribution. When people do not pay for trips, the shortfall has to be made up by school which is squeezing an already tight budget. Your contributions are crucial in enabling us continue to offer these experiences for our children.

FRPS

As always our PTA are busy raising much needed funds for the school. If you are able to lend a hand at the upcoming disco or fair, please let us know. Thank you.
