## Welcome back

I hope you have all had a restful break. Like a lot of schools we had a sizeable number of children off poorly, hopefully they are all now fully recovered and ready to start the new half term.

## Parents meetings **Tuesday 6<sup>th</sup> and Wednesday 7<sup>th</sup> March**

If you haven't already done so, please book an appointment to see your child's class teacher. This can be done using the link that was texted to you on 14<sup>th</sup> February. Many thanks.

## FRPS

The disco was really well attended and raised a very impressive £650. Thank you to all those who gave up their time to provide this fun opportunity for our children. The next FRPS meeting takes place on **Tuesday 13<sup>th</sup> March at 8:00 p.m.** at Jake's Ale House. Please come along if you can.

## Crossing patrol

## A message from our prefects

*Hello, our names are Cassie and Phoebe. Mrs Clerc recently launched the prefect system and there are lots of different roles such as dinner hall, academic and playground. We are the administration prefects dealing with lots of different tasks. The aim of the prefects is to make lunchtimes even better and we have all definitely done so!*

## Growth Mindset

A key aim for this academic year is to become a Growth Mindset school, where our learners believe that their abilities can be developed through hard work, grit and determination. This view will encourage our children to develop a love of learning and a resilience that is essential for great accomplishment. By embracing a Growth Mindset children can learn more or become smarter if they work hard and persevere. They will learn more, learn it more quickly, and view challenges and failures as opportunities to improve.
