Welcome back

The last half term of the academic year is upon us already. I hope you have all had time to rest and enjoy some warm, sunny weather. The children have achieved such a great deal over the course of the year and this will continue with a very busy half term ahead.

Year 6 SATs

I am so proud of our Year 6 children who, as always, conducted themselves brilliantly during SATs week. The national tests are incredibly challenging yet every child showed character and resilience to ensure they gave the best account of themselves that they possibly could. Well done to every one of them.

Spring fair

Thank you to FRPS for the huge amount of work that they put into organising the spring fair. A fantastic £1800 profit was made to help support the children in our school.

Moon rocks

Through a contact at Manchester University, we were lucky enough to receive samples of moon rock and meteors (property of NASA), to show pupils across the school. Due to their rarity, not many schools get the opportunity to access these resources which were shown in special workshops led by Mrs Wild.

Mrs Bexon...

will be retiring at the end of this academic year. Her 25 years of outstanding service has enabled Romiley Primary School to have an amazing brass band that is far and away the best people have ever seen! She deserves all the plaudits that can be passed her way and I am sure you will join me in wishing her a long and happy retirement.

Community

Francis House Children's Hospice thanked us for the £574.09 that our children raised by selling the knitted Easter chicks. Thank you to the Stockport Hydro who kindly donated £180 to provide equipment for children to access outdoor learning opportunities.

Sporting successes

After their cup successes, our girls football team qualified to play in a national final at Leicester City's stadium. They travelled by luxury coach, had a night in a hotel and then excelled themselves on the Premier League pitch. Well done all of you!
