

# Year 6 Newsletter

## Term 2

Welcome back to the start of a new school term. We hope you and your children have had an enjoyable break. As always, we have a busy term ahead of us. Below is a brief outline of some of the topics that we are aiming to cover during the coming weeks.

Spring Term 2018	
<b>ENGLISH</b>	Traditional Tales with a particular focus on stories from other cultures, Explanations based on our Science and RE themes, Reading Comprehension plus Grammar, Punctuation and Spelling activities.
<b>MATHS</b>	Fractions, %'s, 2D / 3D Shapes, Area, Perimeter, Volume, Number Operations Revision, Problem Solving, Time, Probability, Angles & Geometry, Algebra and Coordinates
<b>SCIENCE</b>	Electricity, Light and Colour, Animal and Human Biology
<b>TOPIC</b>	Comparing Religions (with a particular focus on Islam & Christianity)
<b>FOOD TECHNOLOGY</b>	Hummus (houmous) and flatbread Easter treats

Obviously, we have the Year 6 SATS in May (commencing the week of Monday 14th) which will be the culmination of many months of hard work. This term is perhaps the most vital time for our Year 6's to work as hard as they can to consolidate all their learning so far and to make sure that they iron out any niggles in their knowledge. All the staff are here to help and are committed to ensuring your child fulfils their potential.

Many thanks for your time in reading this newsletter. If you have any questions or concerns, please do not hesitate to contact Miss Ross or Mr Dunbar.

Thank You.

### \*FOOD TECH\*

Thank you to everyone who donated £3 towards our food technology costs last term. If you didn't make a donation we would really appreciate any further contributions so we can continue with our baking sessions.
