

Year 4 Newsletter

Autumn term

Dear Parents,

Mr. Ownsworth and Mrs. Saxelby would like to welcome you to Year 4. We hope your child has a really happy and productive year.

Others members of the Year 4 support team will be Miss. Gabbidon, Mrs. Pollitt, Mrs. O' Shea and Mrs. Lawton.

PPA (Government allocated time for teachers to carry out some of their extensive **P**reparation, **P**lanning and **A**ssessment once a week will usually be covered by Mrs. Hughes and Mrs. K. Bartley on a Tuesday morning.

We would ask that in the morning the children meet in a line on the Infant Playground near the outside of the Year 1 classroom and are also collected from this line. Please do **not** accompany your child upstairs into the cloakrooms, as space is limited at registration and dismissal. Thank you. If you are running late in the morning, the main office door is the best point of entry, so your child can be signed in.

We offer a super curriculum beginning with the colourful topic of The Ancient Greeks. We have planned lots of enrichment activities throughout the year including Drama Workshops, French lessons and the opportunity to learn to play the recorder and read formal music notation. Swimming lessons will also take place during the year. The date and times for this will be confirmed in a further letter.

There will be two sets for Maths with Mr. Ownsworth teaching the advanced set and Mrs. Saxelby teaching the developing set. English will be taught through cross curricular links to our topic in classes.

Mr. Ownsworth and Mrs. Saxelby will be pleased to assist you in any way throughout the year. The end of the school day is usually the most convenient time to speak to us, once our classes are safely dismissed.

'Meet the New Class Teacher' presentations will take place on Monday 11th September. Please select either 3:30 or 5:15 p.m.

We hope your child will look back on Year 4 with happy memories and go forward with knowledge and skills.

Kind Regards,

Mr. Ownsworth Mrs. Saxelby
