

## Speech and Language Support at Romiley Primary

What are Speech, Language and Communication Needs? Check out this link for more details: <https://www.afasic.org.uk/about-talking/what-are-speech-language-and-communication-needs-slcN/>

Here are the people who support children with SLCN at school:

- Let's Communicate' NHS Buy-Back SLT: Laura Holmes (1 day per week) [Laura.holmes2@nhs.net](mailto:Laura.holmes2@nhs.net)
- SLCN TA: (Daily Support across School, PMs)

Children living in the Stockport area are also seen by the following NHS Core Service SLT Services as part of the Stockport Local Offer:

[https://stockport.fsd.org.uk/kb5/stockport/fsd/service.page?id=nwGwUZJj\\_1U&familychannel=13-4](https://stockport.fsd.org.uk/kb5/stockport/fsd/service.page?id=nwGwUZJj_1U&familychannel=13-4)

- Speech, Language, Interaction and Communication (SLICS) SLT: Harjinder Kaur
- Special Needs Service: Pam Barr
- Specialist Fluency SLTs
- SLTs at the Child Development Unit (CDU, Stepping Hill Hospital – Pre-School Only)

Communication is everyone's business! We provide advice and plans to help support the children we are working with within the wider school environment as well as during individual and small group sessions. The work we do meets the different levels of need throughout the school:

Level	Description	Examples
<b>Universal Support</b>	Inclusive, Quality First Teaching for all	Advice/ recommendations/training for staff regarding strategies including use of visual supports as well as other areas outlined in the Stockport Entitlement Framework <a href="https://stockport.fsd.org.uk/kb5/stockport/fsd/service.page?id=jbXBlqMyV_g">https://stockport.fsd.org.uk/kb5/stockport/fsd/service.page?id=jbXBlqMyV_g</a>
<b>Targeted Support</b>	Additional Interventions	Assessment and intervention groups focusing on supporting children to develop skills in the following areas: Attention/Listening, Early Language/Concepts, Vocabulary, Receptive Language (Understanding), Expressive Language (Production), Speech Sound Awareness/ Production, Social Skills.
<b>Specialist Support</b>	Additional and Highly Personalised Interventions	One-to-one assessment and personalised intervention plans for individual children, supporting them to develop skills in the above areas. Parents are often invited to attend sessions to support generalisation of skills/progress to the home environment.

If your child is currently on Laura's caseload and you'd like to get in touch about your child's therapy plan/recommendations during the current school closure, you can email her at [laura.holmes2@nhs.net](mailto:laura.holmes2@nhs.net)
