<https://www.timestables.co.uk/>

Number bonds

Learn your number bonds to make 5, 10, 20 and 100.

Can you answer questions quick-fired? Can you find the inverse?

Play number bonds bingo.

Fractions of amounts

Use raisins, grapes, sweets, or anything else you can share to help you find fractions of amounts. Share them between your dolls, teddies, etc and then have a go at recording number sentences to match. You could video or photograph your game to share with us!

Year 2—Maths Home Learning Activities

Time

Telling the time on an analogue clock can be tricky. Sometimes it can be easier to learn the time by introducing one hand at a time. Make your own clock or use one you already have at home. Look at the difference between the hour hand and the minute hand, talk about the intervals on the clock.

Start with o'clock. Then move on to half past. How does the hour hand change when it is half past? Can you find the matching digital time? Look at quarter past then quarter to. If you are feeling like a challenge move on to 5 minute intervals (counting in 5s around the clock).

Use espresso

Username: student6873 password: romiley

Measures

Bake a cake using scales (kg/g) and jugs (litres/ml) to measure out the ingredients.

Use espresso to watch videos and complete activities for weight and capacity.

Follow: KS1 > Maths > Measurements > Measure

Estimate and measure the length of your bedroom or garden using a tape measure. Can you record the measurement in cm and m?

Follow the above espresso link for length.

Can you measure your height and the height of others in your household? Order the heights from tallest to shortest.

Time diary

Keep a diary of what has happened throughout your day. Record the time. Think about am pm, midday, morning, afternoon, evening etc.

Shops

Play shops with any items in your house.

Price up toys, tins etc. Ask family members to buy items. Can you find the total amount spent and give change?

Games

Play lots of games like snakes and ladders, Connect 4, Monopoly, Operation...whatever you have already and remember to have fun!
